To the parents of all K-5 Frey students,

We are encouraging all families to sign up for ParentVUE access for their student(s). Only those students in 4th and 5th grades will have grades available to them through this system; however, all students have the attendance portion of ParentVUE available. In addition to being able to monitor your student(s) attendance and/or grades, we use this resource to notify families of homeroom teachers prior to sneak-a-peek. In order to obtain your ParentVUE activation letter, you will need to come into the front office, at your convenience, to complete the *Cobb County ParentVUE Acceptable Use Policy & User Agreement form*. Please be sure to bring your photo id for verification purposes. You will also need to sign for receipt of the code. You will receive the directions for setting up your account when pick up the *Activation Key Letter*. If you already have ParentVUE for one child in your household, you do not need to set up additional accounts. Simply login to your existing account, and you will have access to each of your children in grades K-12 in the Cobb County School System.

What do I need to do, as a parent, at this time:

1. At your convenience, come into the front office with your photo ID to complete the Cobb County ParentVUE Acceptable Use Policy & User Agreement form and sign for the receipt of the code.
2. Follow the directions given with the code to set up your new ParentVUE account.

We look forward to an exciting year here at Frey!

Sincerely,

Melissa Faklaris
